Homecoming started on Tuesday, October 2, after school. There was a change this year, all the classes were in the gym together building "flats" instead of floats. Things worked out much better than they had the year before. We were allowed to work after school and also on evenings. On Thursday night was the pep rally and Bonfire. Then everyone went to the football field for the crowning of the Queen. This year our queen was Diane Rick. Her attendents were Candy Erikson and Ann Moews. The princesses were: RoAnn Richmond (freshman), Annette Jensen (sophomore), and Jill Swanson (junior). Friday was the day of the parade. Most of the day kids were out of classes, finishing their flats. The parade started by the band playing at the Nursing Home and then continued on to Main Street. The football game Friday night was against Northeast Rebels. The Prophets came off the field victorious!! The Homecoming Dance was held after the game until about 11:30. It was a busy and fun-filled week for everyone.

What a mess!

Are you enjoying the picnic?

A.F.S. brothers and sisters: Paola, Johnna, Diana, Raul, Scott, and Tim.

The A.F.S. was a strong organization this year, hosting two students. Paola Picco from Italy visited Prophetstown and stayed with the John Bollivar family. Raul Campos from Costa Rica made his stay with the Don Seifert family. Miss Smith and Mr. Roesch sponsored the organization. Officers included Jeff Ward, Diane Sipe, Jean Buck, and Raul Campos.

Throughout the year the club held raffles and in the spring sponsored an A.F.S. picnic while an A.F.S. student from Davenport visited Prophetstown. Towards the end of the year the group sold ecology kits. Although the group hated to say good-bye to Paola and Raul, they will always remember the friendships they shared with them during their stay at PHS.

The FFA was busy this year. First they entered a float in the Homecoming parade, and they held initiation for the Freshmen. Something significant for this year's organization was their tie for first place in the judging contest. Their biggest project of the year was their money-making project. They held a pancake supper and many glass drives.

They attend fall and spring banquets of the Rock River Student Librarians Association. Although small in members, the club serves students at PHS willingly and diligently.

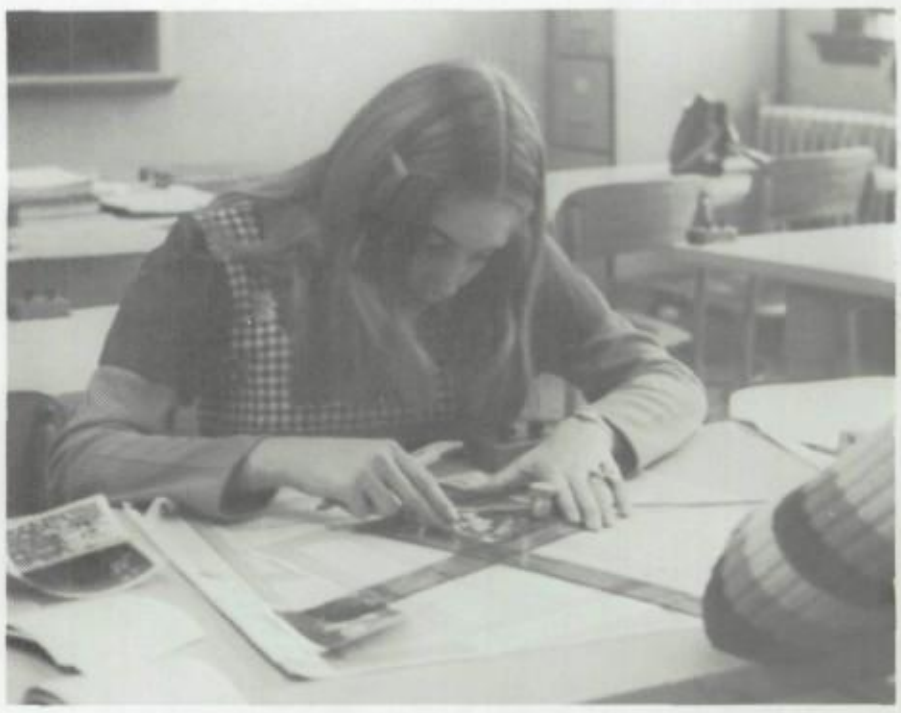
Miss Ballew, our faithful advisor.

A deadline tomorrow, and Beth is smiling?

The Yearbook Staff meetings are a great place to see all the pictures for next year's annual, as well as learn photography skills. Meetings are held on Mondays and Wednesdays after school, or more often when deadlines are near. Although it's a lot of work, the staff wouldn't want to miss the chance to collect memories of high school days that they will cherish for years to come.

Marla, Donna, and Beth confer on which pictures to use.



Ronda tackles the job of cropping pictures.

Miss Ballew reports the deadline is next week.

Sally begins planning a section.

This year the staff decided to take pictures of those active in school organizations. Group pictures have been omitted. But many more action pictures have been taken. Sometimes the deadlines are hard to meet because of lack of pictures. But when the pictures are here, the entire staff works hard to accomplish their goal.

Marla and Sandy put the finishing touches on a page.

"There seem to be some problems with . . .

Superintendent John T. Dee

"When love and skill work together, expect a masterpiece." This quote by John Ruskin best explains this school year. The students of our high school exhibited a fantastic amount of skill that was backed by a large amount of love supplied by both the parents and citizens of our communities.

I sometimes think we forget a force that is working in the background to bring out the best in our students and that group is the staff of this school.

Aristotle said it this way, "They that educate children well, are more to be honored than they who produce them; for these only gave them life, those the art of living-well."

Once again congratulations to the class of "74" for a magnificent year.

Julie,
Well we've had a lot of fun in school and I guess we will have a lot more. Remember the play with you and Verhulst and me and Schroeder, boy that was a bummer. Well maybe if we are both in the play this year we can have a lot more fun together

Love,
Einstein

RULES

Julie,
I'm not going to bore you with terminology or tell you to keep up the good grades. Just take it easy & enjoy these last 2 years at P.H.S. Have fun & stay out of trouble. Good luck in High school & the years to follow.

Love,
Dan '75

Julie,
We've had an awful lot of good times since we've moved here! Remember Jr. High? And games? Remember our 1st two years in High school? Hope our last 2 years are worth coming to. Your a sweet kid! Don't change. Hope we can always be good friends!

Jewel,
The best yrs are
almost here, in another
2 yrs anyway. Remember the
Jr. High days? they were alrite.
But they're ever now & now we have
to grow up. What a drag huh! Well any-
way, Scott's a nice kid but remember we're
only young once. Still jail-bait but at least
it's fun! Well don't change and stay yourself,
coz who else is better qualified?
Good-luck at all.
Det '76

Julie,
Two years are already gone. They went so fast!! I can't remember half of the things we did but then my memory is bad. I hope we'll have a lot more. Maybe we can win this year at homecoming (float). Keep around. Be good.
Annette '76

Julie,
HELLO
Mike '76

Jewel,
I put a piece of grass in your book so you have to keep it in there for life. I put it in there so you will never ever forget me. Have lots of fun in High School. Oh!! and one other thing I have to tell you, you stink!!!!!!!!!
Lynne (Smithy) '76

Julie
What I have to say to you shouldn't be written in a yearbook but I'll try and think of something decent to say. I don't see how you can deserve my big brother but I guess your ok for him so thats all that matters. Don't forget all the fun times we've had and you can just keep on buying those stuffed bra's!
Good Luck
Jana "76"

Julie,
Well there is only two more years left in school, have fun and make the most of them!!
Neil '76

Julie
Well, we only have 2 years at P.H.S. left. Hope you have lots a fun this year cause I'm sure it will go pretty fast. Don't forget the fun times we've had like going to the Crow Festival, but leaving it and going out and having more fun, remember? Oh, and also the trip to Mexico. It was pretty fun now that I think back on it. Have fun & take care!
Keep Smilin!
